

Current Rates as of August 12, 2005

The Rate Summary chart is a comparison of posted electricity and natural gas energy charges for residen small consumers across Alberta. This chart only summarizes electric and natural gas energy charges and itemize billing and delivery costs. For details on other rates found on your bill, please contact your energ directly.

Regulated service is specific to location, meaning a consumer in one service area cannot access a regulat another service area. Please consider this when reviewing this summary.
